ACCENDO

INTERNAL MOBILITY

Companies often overlook their greatest source of talent, internal talent

WHY ACCENDO'S INTERNAL MOBILITY MODULE?

FIND THE RIGHT FIT

Automated role fit predictions ensures you can match the right talent for any position within your company in 1 click

BUILD DEVELOPMENT

Understanding role fit means building a personalised development journey for every employee ensuring full readiness for mobility

MULTIPLE ROLE MOBILITY

Our mobility dashboard allows talent to be matched with up to 5 different internal roles ensuring talent pipelines are always ready

Accendo's internal mobility module facilitates employees to carve out a successful career journey, assists managers throughout the decision making process, and allows HR to implement customised action plans. This ensures employees progress in their careers at the right time in the right position, hence aligning internal mobility programmes with overall business objectives.
